Between the commons of Clapham and Wandsworth.

There are two large reception rooms and an extended kitchen plus a utility room for a washing machine etc. The kitchen has space for a large dining table with French doors leading out to a decked terrace garden. Period features and lots of natural light throughout, refitted with double glazing. Ideally situated close to leafy Wandsworth Common and the excellent shops and restaurants of St John's Hill and Northcote Road with an excellent choice of schools in both the state and private sector in the local area.
